ABOUT SINARA TEX

Our journey in the textile industry began in 1993, when we played key operational roles in some of Bangladesh's leading export-oriented textile mills, both foreign and locally owned.

Leveraging our deep expertise stemming from decades of experience in production and marketing, we formed SINARA TEX, with our business philosophy built on the belief that "Sustainable quality is our standard." We are committed to delivering dynamic, reliable service, and we strive to exceed your expectations every step of the way.

Bangladesh spends more than
\$3.0bn for importing cotton

Our Mission

At SINARA TEX, our mission is to be Bangladesh's most revolutionary business house, supplying the finest, premium textiles to consumers around the globe while adhering to the highest ethical standards.

Our Vision

SINARA TEX is dedicated to continuously sourcing, innovating, and managing state-of-the-art technology to provide textiles that meet the most stringent standards of sustainable quality, enabling us to achieve and surpass our mission.

Our Values

- ❑ **Respect:** We honor diversity and treat everyone with dignity.
- ❑ **Ownership:** We are accountable for our actions and relentlessly pursue excellence.
- ❑ **Trust:** We foster trust through open communication and transparency.
- ❑ **Integrity:** We uphold the highest standards of ethical conduct.
